

promoting diversity and multiculturalism

**Allied Cultures is a 501(c)(3) nonprofit organization centered on encouraging diversity and the promotion of tolerance of racial and ethnic groups. Allied Cultures is currently focusing on creating a publication which reflects the experiences of everyday individuals when it comes to matters of discrimination, racism and prejudice.**

**We encourage all individuals to share a synopsis of an experience they had with the aforementioned issues. All submissions are welcome. Ideally, the synopsis would be 1-2 pages long and highlights the encounter one had with being discriminated against, or having discriminated. The following guidelines may be incorporated:**

- 1. What lessons were learned from the experience, if applicable.**
- 2. If the experience still resonates with the person you are today.**
- 3. Any other information you deem useful.**

**Allied Cultures encourages people of diverse backgrounds to share in the excerpt which will be included in this publication process. All accounts and stories will be held to the highest degree of anonymity, as no names will be included (only the location and the person's ethnic background will be listed).**

**Please feel free to contact Allied Cultures via email at [info@AlliedCultures.org](mailto:info@AlliedCultures.org) should you have any questions.**

**We look forward to receiving your submissions!**
